

In Donations

Our aim at the Hope Store is to restore dignity to those who are in a crisis situation and we try and achieve this through all that we do – from how we talk with people to what we give. This means we only give new and nearly new items with no stains or holes or anything that is dirty. This is a really important aspect of what we do as we believe that everyone should feel loved and respected and this is just one way of doing this.

IMPORTANT NOTE:

We **DO NOT** accept, clothing, footwear, Accessories, Bedding that show any signs of damage or stains (see below). We **DO NOT** accept any used duvets, pillows or underwear.
